

## Ejercicio Formulario.

Crea un documento .html como el de las capturas siguientes:

1.

The screenshot shows a web browser window with the title 'Ejercicio Formulario'. The address bar shows the file path 'C:/Users/manue/Desktop/10'. The form contains the following elements:

- A dropdown menu for 'Titulo' with 'Terra Alta' selected.
- A text input for 'Días' and a label 'Precio: Euros'.
- A text area for 'Observaciones' with the placeholder text 'Puedes anotar cualquier observación'.
- A text input for 'Escribe la marca de tu Ebook:'.
- An 'Enviar' button.

2.

The screenshot shows the same form as in the first image, but with a dropdown menu open for the 'Días' field. The dropdown menu lists three options: 'Terra Alta', 'La reina roja', and 'Solaris'. The 'Enviar' button is visible at the bottom.

3.

The screenshot shows the same form as in the first image, but with a dropdown menu open for the 'Escribe la marca de tu Ebook:' field. The dropdown menu lists three options: 'Xiaomi', 'Kobo', and 'BQ'. The 'Enviar' button is visible at the bottom.
